| S. Comments:Slow to begin. A post-race vet exam revealed no abs. Tnr could offer no excuses for disappointing performance, adding it was likely intention to spell gelding. In light of performance, Tnr advised gelding would be required to Officially trial to the satisfaction of Stewards before racing again. |                     |           |            |                                |

| S. Comments:Began awkwardly before having to be steadied off heels soon after the start. Raced wide and without cover for majority of the event. Rider dropped her whip near the 200m. Raced in restricted room leaving the 50m and was subsequently unable to be fully tested over the concluding stages. When asked to comment on the performance, rider advised in her opinion, that the gelding is best suited when able to lead and dictate its races, which it was subsequently unable to do on this occasion. |                           |      |                 |                                |
