| S. Comments:Steadied near the 800m when another runner shifted in and blundered. Raced keenly on heels for some distance thereafter. Laid in under pressure in the home straight. When asked to comment on the performance, Jockey advised that the filly proved disappointing when placed under pressure in the home straight. |                  |      |      |                                        |

| S. Comments:Fractious in the barriers and slow to begin. Improved onto heels near the 1100m, shifted wider and raced wide for the remainder. When questioned re performance, Rdr stated after racing wide throughout, mount failed to quicken when placed under pressure in the straight and proved disappointing. A post-race vet exam revealed no abs. |                       |          |            |                                        |

When attempting to secure clear running near the 300m, improved onto heels, steadied before shifting out and improving onto heels, again steadied, and then shifted wider onto heels, when that runner shifted in. |                             |                 |     |                                         |
