Held up for clear run on entering home straight & disappointed for run passing 200m & after shifting out passing 100m, was again held up for clear run over the concluding stages. When questioned if considered an outside run passing the 600m, Rdr stated as saddle and weight had shifted to the inside, mount was reluctant to move out and as such elected to ride for luck.

When asked about performance, Tnr's rep stated had been pleased with gelding's work leading into event & stable was unaffected by the recent weather conditions-added given gelding had an interrupted run in the home straight between runners, the gelding was unable to sprint with the large weight when obtaining clear running over the concluding stages. S. Comments:Began awkwardly. When quest re tactics during middle stages up until h/turn, Rdr stated at a point approaching 700m, had considered shifting 3 wide when pace of race steadied, however was unable to do so when another runner improved outside and a short distance later when another runner shifted wider, then awkwardly placed at heels & unable to improve position until approaching 200m-added when approaching h/turn expected runner in front to quicken, however, did not eventuate & ultimately unable to improve until shifting wider around heels near 200m.
