When questioned, Rdr explained although gelding races in a forward position, with the expected fast speed in the race, was asked to be neutral leaving the gates and settle where comfortable-said gelding was slow into stride and settled towards the rear but was racing keenly-advised near the 1200m, attempted to settle gelding, but got its head up on several occasions & for this reason it lost its position-added commenced run from 600m & gelding ran home well.

S. Comments:Contacted heavily on jumping away, with Rdr becoming unbalanced. Rider reported saddle shifted to o/side shortly after start, being placed at a disadvantage for remainder. Held up for clear run on entering home straight & disappointed for run passing 200m & after shifting out passing 100m, was again held up for clear run over the concluding stages. When questioned if considered an outside run passing the 600m, Rdr stated as saddle and weight had shifted to the inside, mount was reluctant to move out and as such elected to ride for luck.
