S. Comments: When asked to comment on the performance, Jockey	R. Plumb stated that after	settling in a trailing po	sition towards the rear, the gelding raced

a little keenly in the early stages and then when shifted 3 wide with cover to improve passing the 600m, was afforded every opportunity to finish the race off. He further added that once in the home straight, when placed under pressure, the gelding proved a little disappointing and in his opinion may improve with the run. A post-race veterinary examination failed to reveal any abnormalities.

S. Comments: When guestioned regarding the seemingly disappointing performance, apprentice S. Thornton stated that the horse was reluctant to stride out when racing amongst other runners and was disappointing when placed under pressure. A post-race veterinary examination revealed no abnormalities and a swab sample was taken.

S. Comments: When questioned by Stewards in relation to the seemingly disappointing performance, jockey J. Bayliss advised that the gelding travelled in a good position throughout, however when the pace of the race quickened it failed to respond to his riding as he had anticipated, and proved disappointing

over the concluding stages. During a post-race veterinary examination, the gelding coughed on a number of occasions.
