S. Comments: Held up round h/turn until approaching w/post. When asked about tactics, Rdr stated satisfied where settled in running-added round h/turn, when expecting runners to weaken, a run would avail itself to outside-further said when runners didn't weaken as expected, obliged to look for a run to inside & when attempting to improve to inside near the 200m, mount was reluctant to take a narrow run, raced greenly, lay out, then placed at disadvantage. Thr concurred with Rdr comments. Post race vet exam no abs.
