When questioned re tactics, in particular, decisions made in the home straight to secure clear running, Rdr stated after being held up round home turn, improved onto heels, before electing to shift back to the inside to attempt to obtain clear running, however; as disappointed for the remainder of the straight. |                     |           |            |                                        |

| S. Comments:Began awkwardly and lost ground. Raced keen early and leaving the 1600m, improved onto heels and checked. Leaving the 700m, laid in and made contact with rail. Passing the 200m, raced in restricted room for a short distance. When asked about performance and its racing mannerisms in the early and middle stages, Rdr advised gelding had a tendency to over race in the early and middle stages and when asked for an effort from the 700m, became awkward in its stride & was left flat footed, which was detrimental to its finishing efforts. |                     |                 |     |                                    |

| S. Comments:Struck the mounting yard fence when momentarily fractious whilst parading & vetted. Slow into stride. Held up for clear running approaching the 400m. Leaving the 1300m, raced in restricted room for a short distance. When asked about performance, Rdr stated gelding never travelled comfortably throughout and proved disappointing. A post-race vet exam revealed no abs. |  |                               |  |                     |                                     |

Raced in restricted room for a short distance passing the 300m whilst weakening. Rdr stated mount travelled well during the early and middle stages, however; when placed under pressure near the 400m, failed to respond to riding and proved disappointing. A post-race vet exam revealed no abs.                                                                                                    | G4 54 Aaron Bullock      | (15) 57.5 R99 | \$200,000 \$21 \$18 \$18         | <b>In Running: /3/5</b> |

Comments:Rdr reported was able to cross and lead with little effort from the 1000m and travelled nicely through the run-said when asked for an effort on straightening, gelding did not respond as expected, ran to the end to the race only moderately and proved disappointing.
