| S. Comments:Began awkwardly and was tightened for room shortly after the start. Raced keenly in the early and middle stages and steadied off heels on a number of occasions. Held up round home turn until shifting out near 250m and bumped. |                  |                           |                                           |

| S. Comments:When questioned re leading, Rdr stated instructed to ride horse in a forward position as this had been instructions at gelding's most recent starts, however; over shorter distances, it had been unable to do so after being slow to begin-added over the more favourable distance of 1600m, gelding was able to find the lead more easily. |                    |             |                                        |                                     |

| S. Comments:Raced wide. When asked re tactics, Rdr stated anticipated settling in a leading position, however; after beginning only fairly, found mount in a wide position early-said passing the 1000m, when attempting to improve into a position one off the fence, another runner shifted off fence for a short distance, resulting in mount being unable to obtain cover. When quest if there was an opportunity to make use of mount early & obtain a more forward position, Rdr said given mount was on 7 day back up, was mindful not to make use of mount too early & elected to sit where comfortable in 3 wide position. |                         |                      |                                                                   |

| S. Comments:Laid in in the early part of the home straight. When asked about seemingly improved performance, Tnr stated wasn't overly disappointed with gelding's last start at Eagle Farm when inclined to over-race and with longer journey and step down in class, stable was confident of a more forward showing. |                       |                 |                                                               |

When quest re performance, Rdr stated after being slow to begin, allowed mount to stride to take up a position outside of the leader, however when attempting to restrain mount, commenced to race fiercely, failed to settle and when placed under pressure in the home straight, failed to respond. |                   |     |                   |                                         |

| S. Comments:Fractious in the barriers and slow to begin. Improved onto heels near the 1100m, shifted wider and raced wide for the remainder. When questioned re performance, Rdr stated after racing wide throughout, mount failed to quicken when placed under pressure in the straight and proved disappointing. S. Comments:Raced wide throughout. Laid in under pressure in the home straight. When asked about performance, Rdr advised gelding had to do a lot of work in the early stages to obtain a forward position and didn't finish the race off as expected. A post-race vet exam revealed no abs.

| S. Comments:Began awkwardly and shifted in. Approaching the 800m, lost its off-side winker. On entry to the home straight, was momentarily inconvenienced and obliged to shift wider when hampered. |                          |          |     |          |          |        |                |
