S. Comments: Began awkwardly and lost ground. Questioned if tactics - rider stated instructed to settle at rear of field. Began awkwardly and then commenced to overtake near the 1700m resulting in him being placed wider on the track. From that point he was unable to restrain the gelding which resulted in it leading by a considerable distance, despite his continued efforts to restrain it. Felt this had a detrimental effect on gelding's ability to finish off the race.

Stewards advised Apprentice that he should have made a greater effort to maintain his position at the rear of the field near the 1700m.

He added that he travelled up behind runners well approaching the 600m, however when placed under pressure his mount did not respond to his riding from that point and finished the race off only fairly, stating the performance was most disappointing. Trainer stated the horse was second up with 59 kg and felt the rise in distance this quickly may have had an effect on the performance. Vetted post-race, no abnormalities.

S. Comments:Questioned re tactics - instructed mare was one paced and not to get held up. Therefore reluctant to restrain to tail of field in early stages

which resulted in her being placed 3 wide. Attempted to restrain to take cover in middle stages but slow tempo prevented her from doing so. Placed mare under pressure leaving 1000m in attempt to track the winner but it failed to quicken and was then forced wider near the 500m and only finished the race off fairly. Rider agreed with stewards that better tactics would have to be restrain mare during early stages to rear of field.
