He stated that after the horse's most recent start in which he felt it raced flat, he had sent the horse for a spell. He indicated THE GREAT BOOMBINO has previously raced well fresh and this, also coupled with today's softer racing surface and claim from apprentice S. Thornton, he had expected a forward showing. He also added that in hindsight he was of the view the horse races best when its runs are spaced out and that he would endeavour to space the horse's runs more so in future.

S. Comments:Rider stated after being wide early attempted to obtain cover but unable to do so and it then hung outwards abruptly near the 800m and proved difficult to control and as such eased it out of race. Stated at previous runs able to obtain cover and believed that racing on outside on this occasion may have contributed to the gelding hanging outwards. Trainer advised gelding had shown tendencies to be field shy previously and with no cover outside may have contributed to it hanging outwards. Vetted - sore off fore fetlock.

 S. Comments:Stewards questioned trainer Mr C. Cousins regarding the seemingly improved performance. He stated that after the horse's most recent start in which he felt it raced flat, he had sent the horse for a spell. He indicated THE GREAT BOOMBINO has previously raced well fresh and this, also coupled with today's softer racing surface and claim from apprentice S. Thornton, he had expected a forward showing. He also added that in hindsight he was of the view the horse races best when its runs are spaced out and that he would endeavour to space the horse's runs more so in future.
