Jockey M Cahill advised that his mount settled in a rearward position as per its customary racing pattern, however as a result of the big field he was forced to settle a considerable distance from the leading position. Jockey Cahill added that as a result of his position in running he was not entirely disappointed in the performance of gelding which in his opinion would be better suited in races over a greater distance than that of today's event. S. Comments:When asked to comment on the performance jockey Byrne stated the filly travelled comfortably in a position outside the lead for the majority, however when placed under pressure after passing the 400m, failed to respond and in his opinion, may not have handled todays conditions. A post race veterinary examination revealed no abnormalities.
