S. Comments: Inquiry re performance. rider stated it was his intention to race in a forward position and obtained a position outside the lead during the early stages. He was satisfied with the pace set in the middle stages, however from leaving the 500m he was of the view that the mare commenced to weaken and was very disappointing the run to the line. He could offer no explanation for this. Subsequent to this event Trainer S. Kendrick reported Emerge had been given 10 day break and has been satisfied with the horses work since returning.

S. Comments:Began awkwardly. Overraced in the early and middle stages before shifting wider on the track to lead passing the 800m. Rider reported that in her opinion, the mare did not run out a strong 1600m and she felt this could be attributed to the slow early pace set in the event which caused the mare to overrace. Vetted and found to have bled from one nostril.

S. Comments:Initially slow to begin and then was severely hampered by SILLIQUA and lost ground. When asked to comment on the performance of the gelding, rider J. Byrne stated that despite suffering interference at the start he had anticipated settling in a midfield position. He was of the view he was forced to cover too much ground rounding the home turn and that his mount finished the race off fairly over the concluding stages. He was of the view that the gelding would appreciate a step up in distance at its next start.

He said the tempo of the race then slowed so he elected to shift out to the outside of the heels of the leader near the 1000m. He said from that point on his mount never travelled comfortably in the soft track conditions and when ROYALTON ROAD improved up around him from the 700m, his mount appeared to not appreciate racing inside other runners and despite being placed under pressure did not respond and was most disappointing. Vetted, no significant findings.

S. Comments: Rider J. He said despite this TARTAN WARRIOR did not respond and was a beaten horse prior to the home turn and in his opinion was most disappointing. He added that there appeared to be no obvious issues with TARTAN WARRIOR other than in his opinion it raced like a tired horse and he had recommended to connections that the horse should be spelled. S. Comments: Questioned re tactics - rider stated instructions where to lead. She became concerned with fast tempo leaving 1000m and attempted to steady at which point mare failed to relax. Mare had raced in similar pattern previously and proved to be competitive, as such, given the way it had weekend today, it may have come to the end of its prep. Whilst noting explanation rider was advised that she should have made a greater effort to restrain mare in middle stages. Trainer advised mare would be sent for an immediate spell.

S. Comments: Rider when questioned stated she would have liked to have positioned her mount closer, however was obliged to nudge her mount in order to hold a position throughout the race and, in her view, SMASHER did not travel comfortably at any stage. She said she did not anticipate being forced wider at the 700m and attempted to hold that horse in near the 500m, however SMASHER was not travelling well enough to do so, and the horse's overall performance, was disappointing. R Heathcote indicated post-race, the horse seemed lethargic and in light of today's performance he would have blood tests taken.
