She said she did not anticipate being forced wider at the 700m and attempted to hold that horse in near the 500m, however SMASHER was not travelling well enough to do so, and the horse's overall performance, was disappointing. R Heathcote indicated post-race, the horse seemed lethargic and in light of today's performance he would have blood tests taken.

Felt although the horse had some wet track form in the past it didn't handle today's conditions and noted it was having its second start from a spell and was up in distance. Trainer advised that endoscopic examination following the race revealed the horse to be suffering from an epiglottic entrapment and would now undergo corrective surgery.

Stable representative indicated the horse may not have handled the week back up from its last start, and the step up to 1800m for the first time. S. Comments: Rider J. Byrne explained that the tempo mid-race was only moderate and as he has done previously he elected to allow the horse to stride forward from the 700m as the horse is not one that is able to sprint when the pace quickens. He said despite this TARTAN WARRIOR did not respond and was a beaten horse prior to the home turn and in his opinion was most disappointing. He added that there appeared to be no obvious issues with TARTAN WARRIOR other than in his opinion it raced like a tired horse and he had recommended to connections that the horse should be spelled. S. Comments:Rider questioned re tactics, which resulted in a fast tempo being set in early and middle stages - rider stated in he allowed another runner to cross forward of him early. However, another runner racing inside of him over-raced which prevented him from finding cover and was caught 3 wide early. Was of the view the runner forward of him would cross to the fence so pushed forward to sit outside it but it was unable to do so which resulted in him racing 3 wide in middle stages. Was unable to restrain, despite his efforts, to obtain cover during middle stages. refer full report.

S. Comments:Rider questioned regarding her riding of HEAVENLY GLASS in the first 150 metres and also her reasons for shifting out abruptly and moving

wider on the track leaving the 500 metres. App Philpot stated HEAVENLY GLASS began awkwardly and as a consequence lost contact with the main body of the field. She added leaving the 500 metre the mare improved into the race strongly and rather than being caught on heels of runners forward of her she

elected to shift to the outside and wider on the track. she was advised to show greater urgency in obtaining a position in the early stages of a race.
