S. Comments: Rider questioned regarding his tactics in the early stages when it appeared he had opportunity to secure a position closer to the fence and rather than doing so he steadied and shifted around heels and rode aggressively before being positioned four wide without cover. Apprentice McGillivray indicated that he had been instructed to attempt to ride in a forward position and he felt that the horse would muster sufficient speed to take up a more forward position despite being steadied in the early stages. Stewards noted the explanation. Vetted post-race, no significant findings.

S. Comments:When questioned regarding the horse's improved performance, trainer R. Drysdale stated that he has not been disappointed with the horse's two previous runs, where at Ipswich on 14 August the horse raced well and was only beaten 5 lengths in good time, and then at its most recent start at Warwick on 21 August the horse lost considerable ground at the start, which was a telling factor on its performance, and therefore he was not surprised with a forward showing today. Trainers noted his explanation.
