S. Comments:When questioned by Stewards in relation to the seemingly improved performance, trainer M. Kropp advised that the instructions were for the mare to be in a handy position today if possible. He added that, after beginning well from the inside barrier, the mare was able to lead without pressure, and with the step up in distance it was able to dictate the tempo to suit. He went on to say that the mare was down significantly in class for today's race, and when ridden in this manner it has previously performed well. Stewards noted the explanation.

S. Comments:Began very awkwardly and made heavy contact with the barrier partition, almost unbalancing its rider. When asked to explain the performance of the gelding, jockey J. Byrne expressed his view that the speed slackened quite appreciably mid-race and therefore he elected to come out to improve into the race passing the 700m and at the same time the leaders quickened and his mount then struggled to get into the race from that point. He added that in his opinion the gelding's chances were not suited by the slow tempo in the middle stages and the quick sprint home.

S. Comments:Apprentice A. Thompson was questioned in relation to his riding of BAMBALAM and the significant margin he established during the middle stages. He advised stewards his instructions were to initially obtain cover which he attempted to do, however was unable to do so in the early stages and therefore elected to allow the horse to stride forward and secure the lead in an attempt to have the settle. He indicated he obtained the lead in the back straight, and after restraining, the horse commenced to fight against being restrained and it became unbalanced and its breathing he felt was restrictive
