S. Comments: Stewards questioned Trainer's representative in relation to the improved performance in comparison to its most recent start. He advised that the gelding performed disappointingly at its most recent start and for that reason it was spelled immediately following that event. He added that prior to this, the gelding form, in his opinion, was strong and therefore after returning from a spell, the stable was expecting a forward showing in today's event. Stewards noted the explanation.

S. Comments:After passing the 500m was placed under pressure and failed to respond and in the home straight proved disappointing. When asked to comment on the performance, Trainer M. Wilson advised that even though FANX raced in a forward position, he is of the opinion that FANX is better suited when allowed to lead and dictate terms. As the gelding was unable to do that today, this may have had some bearing on its finishing effort. A post-race veterinary examination failed to reveal any abnormalities.

S. Comments: Laid out under pressure in the home straight. When asked to comment on the performance, R. Stewart indicated that the tempo of the race was slower than he would have liked and that he had anticipated being a little bit further back in the field, however, felt that the horse travelled comfortably until being asked to respond approaching the home turn and did not quicken. He felt that the horse having its first run this preparation over 1400m may have had an effect but he could offer no explanation for the performance, which he felt was disappointing.
