| S. Comments:When questioned regarding the disappointing performance, apprentice T. Williams stated that the mare failed to travel comfortably throughout the event and blundered badly near the 200m. She added, in her opinion, the mare did not handle the soft track conditions. A post race veterinary examination failed to reveal any significant abnormalities. |                      |               |     |                                           |  |  |  |

| S. Comments:Slightly hampered between runners on jumping away. Approaching the 800m commenced to hang out and raced 3 wide without cover for the remainder of the race. Then rounding the home turn raced very wide. Trainer M. Boland was advised that a warning would be placed against the gelding for its racing manners. |                       |                   |             |  |                               |
