Geran stated that after having to be checked off heels near the 750m, the horse commenced to hang slightly and was immediately under pressure from that point which required him to ride his mount along from that point. G. Geran was unable to explain the performance other than the horse may benefit with the addition of blinkers and being placed over further ground. S. Comments:Bumped on jumping away. Rider questioned re tactics adopted in the early stages - instructed to obtain a handy position but not to ride the gelding vigorously in the early stages as it had shown a tendency to overrace. For this reason he was unable to maintain a trailing position behind BELEGIC and as a result near the 900m had to be steadied form the heels of HYDRAZIN. Trainer confirmed instructions and express disappointment in overall performance. Vetted - sustained a laceration to the off hind coronet. A swab sample was taken.

S. Comments:Overraced on heels near the 800m and shifted out, making contact with the runner to the outside before being checked from heels. Stewards asked stable representative G. Thompson to explain the mare's seemingly improved performance. He indicated that the horse did not perform well after overracing and going to the lead at its most recent start and added that in prior starts the horse had been quite disappointing this preparation. He indicated that had the horse not performed well in today's event, consideration would have been given to retiring the horse.

S. Comments: Slow to begin. When given the opportunity to comment on the horse's performance, G. Geran stated that after being slow to begin his mount then travelled only reasonably during the middle stages of the event, however ran on fairly in the home straight and in his opinion would be better suited in races over a further distance than today's event. Trainer K. Kemp agreed with the appraisal of jockey Geran and advised that at the next start he will look to stepping the horse up in distance.
