S. Comments: Fractious in the barriers, then began awkwardly, losing ground. A post-race veterinary examination revealed no significant findings. A. Spinks was questioned regarding the horse's disappointing performance. Jockey Spinks stated that after losing ground at the start he contemplated settling towards the rear of the field, however as the speed was only slow in the early stages he elected to improve forward to obtain a forward position as instructed. He added that after travelling well in the middle stages the gelding was under immense pressure from the 700m and proved disappointing.

Trainer T. Hall agreed with these comments, and undertook to report back to stewards any abnormalities that may come to light which may explain today's performance. A post race veterinary examination of the horse, which compounded badly in the home straight, failed to reveal any significant abnormalities.

A post race veterinary examination failed to reveal any significant abnormalities. Trainer P. Duncan confirmed the stable's disappointment in the performance, however was unable to offer any explanation, and gave an undertaking to report back to stewards in the coming days of any abnormality that comes to light.

S. Comments:On return to scale jockey R. Fradd reported that the horse raced fresh today and overraced a touch in the early stages, and then failed to

finish the race off. The stable representative for trainer Mr T. Gollan advised that the gelding would be better suited as it gets further into its preparation over distances further than todays event, and may appreciate a softer track and would improved with todays run. A post race veterinary examination failed to reveal any significant abnormalities.
