When questioned regarding the run, apprentice A. Thompson said with his mount's big weight, he elected not to go too early, however, in a slowly run race when runners improved after passing the 1000m he was shuffled back in the field and thereafter when placed under pressure making the turn into the straight, CAPITAL GAIN ran on fairly. Rider questioned as to why he did not attempt to follow ART ATTACK passing the 1000m and getting towards the 800m. He then indicated he attempted to steady the pace of his mount, which then did not respond and overraced badly in the early and middle stages. He added that, in his opinion, this had a detrimental effect on the horse's overall performance. Added when it began well and showed early speed rather than be caught in a midfield position wide elected to stride forward to take the lead when runners to inside did not show an intention to hold that position.
