S. Comments:Performed below market expectations. Jockey T Wolfgram advised that after jumping well and obtaining a favourable position outside the leader the gelding travelled well but when placed under pressure laid out and failed to respond over the concluding stages. A post-race veterinary examination revealed no abnormalities. Trainer L Hatch reported that in his opinion the gelding may not have backed up after a tough run last start. He further advised that the he will get his stable veterinarian to inspect the gelding and report back any findings in the days subsequent.

S. Comments:As a result of beginning well and being caught wide in the early stages rider C Eaton elected to allow the horse to stride forward and race outside the leader from the 1100 metres. When questioned regarding the apparent improved performance trainer M Boland explained THE HAND has a history of being tardy to begin, however after beginning well and racing in a handy position he was not entirely surprised by today's performance. The licence of C Eaton to ride in races was suspended under AR132(5) for a period of 8 days to commence midnight 19th September up to and including midnight 27th September

Near the 1000m when racing keenly had to steadied when awkwardly placed on the heels of Great Powers. Raced three wide from the 1000m. Laid in under pressure in the straight.

When questioned regarding the apparent improved performance trainer M Boland explained THE HAND has a history of being tardy to begin, however after beginning well and racing in a handy position he was not entirely surprised by today's performance. The licence of C Eaton to ride in races was suspended under AR132(5) for a period of 8 days to commence midnight 19th September up to and including midnight 27th September

When questioned regarding the apparent improved performance trainer M Boland explained THE HAND has a history of being tardy to begin, however after beginning well and racing in a handy position he was not entirely surprised by today's performance. The licence of C Eaton to ride in races was suspended under AR132(5) for a period of 8 days to commence midnight 19th September up to and including midnight 27th September
