Comments:Rider advised that after being caught wide in the early stages, he was forced to pressure his mount more than he wanted to obtain its customary forward position. He added that the mare travelled comfortably in the middle stages, however when placed under pressure proved disappointing. Trainer expressed some disappointment in the performance, but did advise that given the work the horse was forced to do in the early stages and that it was 5 weeks between runs, it would derive a fitness advantage from today's run and he will continue with its preparation. S. Comments:Jumped in at the start bumping another runner. Raced below market expectations . Jockey advised that his instructions were to be in the first three but the gelding did not show early pace and had to be ridden along to hold a position. He added that the horse then only battled to the line and was disappointing. Trainer stated that he expected that the horse would be hard to beat but was very disappointed with the geldings effort and could offer no reason for its moderate performance.

She added that once the gelding had settled it then had a tendency to hang out, resented the kick back and did not respond to her riding over the concluding stages of the event. Trainer R. S. Comments:The saddle shifted forward shortly after the start, placing the rider at a severe disadvantage for the remainder of the event. During the running of the race it was observed that a small amount of packing had been dislodged from under the saddle as a result of the saddle shifting forward.			
Subsequently, B. Derbyshire on return to scale, when weighed by stewards, weighed in at her allotted weight and therefore correct weight was semaphored on the Judge's placings.
