S. Comments: Checked soon after start when tightened for room between runners. Approaching 800m steadied from heels, shifted out and raced 3 wide from that point. Explanation re performance jockey Byrne stated gelding hung out for major part of race, which resulted in him being forced to race wide. Jockey added that for this reason he did not ride mount out to the end of race in normal vigour. Stewards noted explanation. Vetted - sustained large laceration to off side cheek and swab sample taken. Stable rep advised warning would be placed against gelding re racing manners.

S. Comments: Inconvenienced by REPO ZEST, which shifted out, approaching the winning post. When questioned as to the horse's performance, M. Cahill stated that from the wide barrier today he was unable to obtain cover and he was forced to race wide throughout. He added that the gelding was under pressure leaving the 500m and in his opinion was somewhat disappointing today, however, bearing in mind the extra ground the gelding was obliged to cover, he was not totally disappointed with the performance. A post-race veterinary examination revealed no abnormalities.

S. Comments:Jockey M. Hellyer reported the horse was making an abnormal respiratory noise on pulling up. A veterinary examination of the horse, which weakened badly and finished a distant last, revealed it to be in a very distressed state and having a poor post race recovery. Connections were advised that it must trial satisfactorily prior to its next race start and undergo an endoscopic examination, the results of which to be reported to stewards. Trainer's representative indicated in light of today's performance it would either be sent for a significant spell or be retired.

S. Comments: Bumped another runner upon jumping away. Approaching 200m improved onto heels and badly hampered a short distance later. Rider stated only explanation for disappointing performance was mare found the 1200m trip too short, notwithstanding that it won over the same distance a fortnight earlier, but on a heavy track. In his opinion mare was looking for more ground. Post race vet did not reveal any abnormalities. Trainer agreed with rider's comments that the mare raced flat second up over 1200m and indicated it would now be stepped up in distance.
