S. Comments:After being slow to begin, attempted to obtain a forward position closer to the rail but was unable to do so and was forced to race three wide without cover for the entirety of the event. When questioned regarding the horses performance, trainer K. Kemp, after viewing the video, agreed that the gelding had a hard run being caught wide without cover, noting that it was up in class for todays event and after also noting that it may have come to the end of its campaign stated that he was not overly disappointed with todays effort. He added that he would assess the geldings post-race recovery.

She said to obtain cover she had to settle further back than anticipated. She further added that upon straightening the filly failed to quicken as expected and proved reluctant to improve between runners. She also stated that over the concluding stages she had some difficulty obtaining clear running but she was still disappointed in the performance. She said the stable said the filly would now most likely be sent for a spell.

S. Comments:When questioned regarding the horse's seemingly improved performance, trainer G. Duncan advised that at its first run back from a spell at Warwick on 26 December 2017, the horse went back from its barrier and when attempting to improve approaching the home turn was forced wider by another runner and lost momentum. He added that given the circumstances of that occasion he was not overly disappointed in its performance, and that with the benefit of that run and being fitter for today's event and with the small field, he gave the gelding a reasonable chance.

S. Comments: Apprentice M. McGillivray reported that the gelding raced three wide but with cover throughout, was off the bit and in his opinion raced flat. He said that rounding the home turn the horse was unable to quicken with the remainder of the field, however once placed under pressure in the straight, although it was inclined to lay in, it then finished the final 200m of the race off nicely. He added that he was of the opinion that the gelding may now be looking to be stepped up in distance.
