S. Comments:Rider said instructions were to lead if possible. He said the gelding showed sufficient early speed, however ARGO'S REVENGE also improved to his inside, so he had to make more use of the gelding than he would have liked. He said at its previous start the horse was inclined to overrace and hang out and for this reason he was intent on pursuing the lead and getting the horse across to the rails. He added that the horse then travelled nicely in front and weakened over the concluding stages. He said he would have preferred not having to make as much use of the horse in the early stages.

S. Comments:When questioned, L. Ross explained that the mare was having its first start for his stable today. He added that he had previously nominated and accepted for Ipswich on Saturday 13 January but unfortunately the mare injured itself in transit to the course and was a late scratching on that occasion. He added that subsequent to that occasion the mare had won a trial at Deagon very comfortably and he had expected a forward showing from her today. The explanation was noted.

When questioned regarding the horses performance, trainer K.
