Comments:When questioned regarding his riding of the gelding approaching and rounding the home turn, whereby the horse shifted out and allowed a stablemate, BRIGADOON RIDE, to gain a run to his inside, J. Lloyd advised that his mount never travelled in the early stages and had to work hard to reach a position outside the leader at the 800m. He said the horse was under pressure passing the 600m and soon after, on straightening, shifted out when weakening. The explanation was noted. Added passing 600m obliged to ride mare along, at which point it failed to respond as anticipated. Further added approaching 200m obliged to shift out to secure clear running after which the mare finished race off fairly. Given these circumstances rider not overly disappointed with performance.
