She stated that, in her opinion, the horse had performed below expectations at its most recent 2 starts as a result failing to handle the heavy 10 track conditions. She added that in today's event she had removed the blinkers from the horse's gear and she felt this had assisted in having the horse settle during the middle stages of the race which she felt had a beneficial effect on the overall performance.

S. Comments:When questioned regarding the tactics adopted, apprentice A. Thompson stated that he pressed forward as per instructions, adding that he initially intended to sit outside the leader, but for a short distance from his wide barrier pressured his mount in an attempt to go forward and maybe obtain the lead but was not able to do so, and then restrained to a position outside the leader, albeit racing keenly in that position. He added that the horse raced in its usual racing pattern. Trainer J. Judge confirmed the instructions and advised that he was satisfied with apprentice Thompson's ride, however
