When questioned if considered an outside run passing the 600m, Rdr stated as saddle and weight had shifted to the inside, mount was reluctant to move out and as such elected to ride for luck.

S. Comments:Inconvenienced when attempting to improve near the 200m. When quest re performance & riding of filly, Rdr stated instructed to take up a trailing position from wide alley as horse had raced well at its most recent start when ridden in this fashion-added surprised how well filly settled early & obliged to pressure mount from 750m to the 600m-further added in home straight mount was somewhat reluctant to quicken between runners when there was a shift from an inside runner-said indicated recommended to remove filly's earmuffs as felt filly would travel more strongly during event.
