S. Comments: When questioned about performance, Rdr reported after settling forward, gelding failed to respond when asked for an effort over the concluding stages-added intention for the gelding to step up in distance moving forward. The confirmed gelding a step up to a mile and added was pleased with its effort last start on 28-2-25, however; it was evident after obtaining a leading position, was unable to finish off the race & would be better suited to further distance. A post-race vet exam revealed no abs.

S. Comments: When questioned re ride in middle stages & on entering h/straight, whether there was an opportunity to improve from 600m onwards, Rdr stated after riding mare 2 starts prior at Ipswich & viewing footage of previous start at E/Farm, was of view mare could not sustain being placed under pressure too early & was better suited to being exposed to a short, sharp sprint-added early assessment was 2 other runners had established a genuine tempo which both horses wouldn't unable to sustain, so on straightening, was comfortable how mare was travelling without be placed under full pressure. S. Comments:Inconvenienced when attempting to improve near the 200m. When quest re performance & riding of filly, Rdr stated instructed to take up a trailing position from wide alley as horse had raced well at its most recent start when ridden in this fashion-added surprised how well filly settled early & obliged to pressure mount from 750m to the 600m-further added in home straight mount was somewhat reluctant to quicken between runners when there was a shift from an inside runner-said indicated recommended to remove filly's earmuffs as felt filly would travel more strongly during event.
