S. Comments: When afforded the opportunity to comment on the performance, rider J. Stanley stated that the gelding began well and travelled comfortably until approaching the home straight but then proved disappointing when placed under pressure and in his opinion was disappointing. He added that he recommended to connections the addition of blinkers and a step up over further distances. Trainer H. Hayes advised that he will give consideration to the addition of blinkers and he will step the horse up in distance. A post-race veterinary examination revealed no abnormalities and a swab sample was taken.

S. Comments:When asked to comment on the performance, jockey B. Pengelly indicated that after passing the 500m he was obliged to pressure the filly in order to hold its position and was somewhat disappointed with the horse's finishing effort. He added however he felt the filly would appreciate a step up in distance which would allow it to travel more comfortably in the early stages.

S. Comments: When questioned as to the horse's disappointing performance, T. Harrison stated that the intention was to obtain cover, however from the wide barrier she was obliged to settle outside the leader and as a result, the gelding overraced in the early and middle stages, which resulted in it weakening over the final 300m. Trainer H. Page indicated that the blinkers would be removed at its next start.
