Dell to comment on the performance. He indicated that the horse was slow to begin and he was forced to ride his mount further back in the field than he would have liked and was also obliged to pressure the horse from the 700m and despite this the horse responded to his riding over the final 300m and was doing its best work over the concluding stages. He indicated the horse would appreciate the step up to 1600m.

Unable to improve when held up on heels from the entrance to the straight to the 300m. Questioned regarding performance, stated that her mount failed to travel strongly and rounding the home turn she elected to remain racing closer to the rail, as opposed to shifting wider on the track. Stated whilst her mount had a somewhat impeded run down the straight it was disappointing. Added that her mount has a poor second up record.
