When questioned in relation to the seemingly improved performance, trainer B Laming advised that in the geldings first start he was slow to begin and raced greenly throughout the event. Mr Laming added that the gelding had worked well subsequent to that run and that with the benefit of race experience, he had expected an improved performance and further was suited stepping up in distance in today's event.

S. Comments:Passing the 1200m when BARTALUMBA improved to its outside commenced to over race and continued to do so for some distance. Jockey M

Murphy could offer no explanation for the poor performance other than it over racing in the early stages may have had an effect on its finishing sprint. A

post-race veterinary examination of the gelding which weakened in the home straight failed to reveal any abnormalities.
