| S. Comments:Weakened from the 400m. Rdr reported filly travelled fairly until the 800m but when placed under pressure shortly afterwards, failed to respond to riding and for this reason, desisted from pressuring the filly from the 250m, adding filly may have choked down. A post-race vet exam revealed no abs. Trn advised now intention to have filly scoped and Stewards will follow up with the stable. |                      |               |                                  |

| S. Comments:Bumped on jumping. Over-raced in the early and middle stages. When asked about performance, Rdr advised mount refused to settle throughout, which proved detrimental to its finishing efforts, noting gelding was first-up since 9-4-25. Tnr concurred with Rdr, however added despite of the fast early tempo, had expected a more forward showing. A post-race vet exam revealed a poor recovery. |                        |                 |     |                                                               |

| S. Comments:Bumped on jumping and became unbalanced. Improved onto heels approaching the 1000m and was obliged to steady. A post-race vet exam revealed no abs. Rdr reported gelding may be better suited to further distance. When asked, Tnr stated intention for gelding to step up in distance and drop back to a country grade race. |                   |             |     |                                         |

| S. Comments:Began awkwardly before having to be steadied off heels soon after the start. Raced wide and without cover for majority of the event. Rider dropped her whip near the 200m. Raced in restricted room leaving the 50m and was subsequently unable to be fully tested over the concluding stages. When asked to comment on the performance, rider advised in her opinion, that the gelding is best suited when able to lead and dictate its races, which it was subsequently unable to do on this occasion. |                      |                      |                       |

S. Comments:Slow to begin. Had difficulty obtaining clear run approaching home turn. When questioned re tactics, Rdr stated whilst no specific instructions were issued, had envisioned settling midfield, however; after beginning only fairly, felt mare lacked sufficient speed to press forward and elected to restrain and take cover-added leaving the 600m whilst travelling in last position, rather than elect to restrain in order to shift very wide, elected to look for runs nearer the inside.
