S. Comments:Raced wide throughout. When asked to comment on the performance, rider advised that the gelding failed to show its early customary speed

and as a result LUCKY STRONG raced wide throughout. Rider added that when placed under pressure and asked for an effort, the gelding failed to respond

and proved disappointing. A post-race veterinary examination revealed a poor post-race recovery and mild signs of clinical heat stress.

S. Comments:Underwent a pre-race veterinary examination after racing at Gladstone on Saturday, 19 April 2025 and was cleared to start. Began awkwardly and lost ground. Shifted ground momentarily near the 200m. Laid in under pressure over the concluding stages. When asked to comment on the performance, rider advised that in his opinion, the mare raced flat throughout the event and may have been feeling the effects of recent racing.
