S. Comments:Inquiry re performance. rider stated it was his intention to race in a forward position and obtained a position outside the lead during the early stages. He was satisfied with the pace set in the middle stages, however from leaving the 500m he was of the view that the mare commenced to weaken and was very disappointing in the run to the line. He could offer no explanation for this. Subsequent to this event Trainer S. Kendrick reported Emerge had been given 10 day break and has been satisfied with the horses work since returning.

S. Comments: Rider said after beginning well he was keen to find cover and therefore allowed BROADWAY LASS to cross. He said the tempo of the race then slowed so he elected to shift out to the outside of the heels of the leader near the 1000m. He said from that point on his mount never travelled comfortably in the soft track conditions and when ROYALTOWN ROAD improved up around him from the 700m, his mount appeared to not appreciate racing inside other runners and despite being placed under pressure did not respond and was most disappointing. Vetted, no significant findings.

only fairly. Ms Jamieson stated that her mount raced like a

horse not interested in racing. When questioned, trainer Mr H. Norman stated the

mare had worked well and he was very disappointed with its performance. Mr

Norman added that the stable would assess the immediate racing future of the

4

mare in the coming days.

S. Comments: Rider J. Byrne explained that the tempo mid-race was only moderate and as he has done previously he elected to allow the horse to stride forward from the 700m as the horse is not one that is able to sprint when the pace quickens. He said despite this TARTAN WARRIOR did not respond and was a beaten horse prior to the home turn and in his opinion was most disappointing. He added that there appeared to be no obvious issues with TARTAN WARRIOR other than in his opinion it raced like a tired horse and he had recommended to connections that the horse should be spelled. | S. Comments:Questioned re tactics - rider stated instructions where to lead. She became concerned with fast tempo leaving 1000m and attempted to steady at which point mare failed to relax. Mare had raced in similar pattern previously and proved to be competitive, as such, given the way it had weakened today, it may have come to the end of its prep. Whilst noting explanation rider was advised that she should have made a greater effort to restrain mare in middle stages. Trainer advised mare would be sent for an immediate spell. |                                |   |

S. Comments:Rider when questioned stated she would have liked to have positioned her mount closer, however was obliged to nudge her mount in order to hold a position throughout the race and, in her view, SMASHER it did not travel comfortably at any stage. She said she did not anticipate being forced wider at the 700m and attempted to hold that horse in near the 500m, however SMASHER was not travelling well enough to do so, and the horse's overall performance,was disappointing.R Heathcote indicated post-race, the horse seemed lethargic and in light of today's performance he would have blood tests taken.
