**In Running: /2/2**

S. Comments:Questioned re tactics - rider stated instructed to ride forward as had been slow to begin in previous 2 starts. After beginning awkwardly and from wide barrier had to ride vigorously in early stages to comply with instructions. Pressure required in early stages had detrimental effect on overall performance. Noted filly trialled well when settling in forward position and would derive fitness benefit from run. Trainer confirmed instructions and would issue similar instructions in future when stepped up over further distance. Reminded of obligations to advise of change of tactics.

S. Comments:rider S Drake stated the gelding, which was having its first start, raced with its head in the air and was inclined to lay out in the early stages, and for this reason settled further back in the field than anticipated. She added DANCING VAGABOND was then able to work forward leaving the 700 metres, and in the straight made ground despite again having a tendency to layout when placed under pressure. S Drake further stated it now would be the stables intention to add blinkers and step the gelding up in distance. Stewards noted the explanation.

Held up at the 400m and shifted out in an attempt to secure clear running approaching the 300m and made heavy contact with another runner and was obliged to steady from heels before shifting back to the inside to secure clear running approaching the 250m. At a subsequent inquiry, stewards reprimanded jockey M. McGillivray and advised him he should exercise more care in similar circumstances.

S. Comments:Slow to begin.  
 S. Comments:Jockey M. Cahill reported that the horse travelled well until leaving the 600m when he became concerned that the filly would not finish the race off well and did not respond to his riding when placed under pressure leaving the 400m. He noted that the horse sweated up more than at its most recent start. Trainer M. Mair agreed with the comments of jockey Cahill and added that he would monitor the horse in the coming days. A post race veterinary examination revealed the filly had pulled up in a distressed state with a poor post-race recovery.

Jockey added that for this reason he did not ride mount out to the end of race in normal vigour. Stewards noted explanation. S. Comments:B Stewart reported, in his opinion, the horse was not entirely comfortable in the soft track conditions and he felt that as this was the horse's first start from a spell it would take benefit from the run. Trainer D. Meagher reported that in hindsight he may have erred in removing the blinkers from the horse's gear. He felt that the horse would be more suited to being stepped up over longer distances where the horse would be able to secure a position closer to the lead, and agreed with jockey Stewart's comments that the gelding was not entirely comfortable in today's soft track conditions.
