As a consequence raced wide without cover throughout. Rider conceded may have erred in failing to ride vigorously from barriers. Trainer anticipated settling on speed but noted as 2yr old horse had, despite beginning well, taken time to reach top speed in early stages. Despite wide run thought horse would win before dipping near the 200m and losing momentum. Explanation noted.

S. Comments:When asked to explain the improved performance today, trainer K. Kemp explained that at its last start the gelding overraced and the rider elected to shift wider on the track, which may have exposed the gelding earlier than he would have liked, which may have had a detrimental effect on the gelding's finishing effort. He added that with the fast tempo today the horse travelled in a comfortable position without being exposed too early, which was consistent with its runs prior to its last start in which it perform creditably.

Lloyd said connections wanted to race off the pace, but the gelding overreacted when being steadied shortly after jumping and got its head up and got further back than they had anticipated. He said he was inconvenienced severely when another runner broke down, resulting in him having to take evasive action passing the 600m. He added that he then rode the gelding along in the straight, but it failed to respond and he was not entirely happy with its action so he eased it down in the latter stages. S. Comments:Questioned re tactics - began well anticipated would muster speed and settle outside leader. Then reluctant to ride vigorously as had previously shown tendency to overrace. As a consequence raced wide without cover throughout. Rider conceded may have erred in failing to ride vigorously from barriers. Trainer anticipated settling on speed but noted as 2yr old horse had, despite beginning well, taken time to reach top speed in early stages. Despite wide run thought horse would win before dipping near the 200m and losing momentum. Explanation noted.

Trainer T. Gollan advised stewards that it was now his intention to space the gelding's runs as he believed the horse may be better suited racing fresh. A post-race veterinary examination revealed no significant findings.
