S. Comments: Held up round home turn. Laid in marginally near the 200m. Disappointed for a run near the 100m. When questioned re tactics, in particular the decision not to pursue a run near the 500m, Rdr stated approaching 900m, elected to shift from the rail to a one-off position when the pace of the race was only moderate-added near 500m, when racing between runners, was obliged to race in restricted room & mount did not appreciate racing in this & therefore was unable to maintain position between these runners.

S. Comments:Raced wide without cover throughout. When questioned re tactics, particularly in racing 3 wide on the speed throughout, Rdr explained instructed to lead if possible, however when unable to comply, allowed gelding to stride where comfortable. After viewing footage Rdr agreed could have made a greater effort to restrain mount after being unable to cross inside runner passing the 1000m to allow the gelding a better opportunity to finish race off. Bearing in mind apprentice and relative inexperience, no action taken but to note ride..

S. Comments:Raced wide without cover throughout. When questioned re tactics, particularly in racing 3 wide on the speed throughout, Rdr explained instructed to lead if possible, however when unable to comply, allowed gelding to stride where comfortable. After viewing footage Rdr agreed could have made a greater effort to restrain mount after being unable to cross inside runner passing the 1000m to allow the gelding a better opportunity to finish race off. Bearing in mind apprentice and relative inexperience, no action taken but to note ride..
