| S. Comments:Weakened from the 400m. Rdr reported filly travelled fairly until the 800m but when placed under pressure shortly afterwards, failed to respond to riding and for this reason, desisted from pressuring the filly from the 250m, adding filly may have choked down. | S. Comments:Raced keenly near the 600m. Performed below market expectations. Underwent a post-race veterinary examination which failed to reveal any significant abnormalities. Rider was unable to offer any explanation for the performance. Trainer advised that the filly, which settled just off the pace, may have struggled to run on with the firmer track conditions. Trainer added further that he felt the notable betting fluctuations weren't all together justified and that the stable had not supported the filly with bookmakers on this occasion. |                  |        |                                   |  |  |
