S. Comments:Was fractious in the barriers, examined by the Club's veterinary surgeon and cleared to take its place in the field. When questioned regarding his riding in home straight apprentice explained that shortly after straightening he was held up behind runners and unable to shift to the outside as he had progressed too far into the run and was continually disappointed when attempting a narrow run. Said that passing the 200 metres he angled his mount towards the outside however was again disappointed over the concluding stages when another runner had improved to his outside. Explanation was noted.

S. Comments:When questioned regarding the performance of the horse, trainer said that he was disappointed with the horse's performance, as it failed to run on as expected. Trainer added that he intends to start the horse at the Emerald meeting next week. Jockey confirmed that the performance was disappointing, however he attributed this to the slow pace in the event. He added that his mount was inclined to lay out over the concluding stages and said that over a shorter distance with more pace early he would expect an improved performance.

Stable representative confirmed the instructions issued and added that the gelding has led in previous starts.
