S. Comments:Stewards asked rider P. Hamilton to comment on the performance of the horse. He stated he did not want to pressure the horse in the early stages because at its most recent jumpout the horse had a tendency to overrace up on to heels in the early stages and therefore he did not wish to be overly vigorous out of the barriers. Jockey P. Hamilton was reprimanded for using his whip more than 5 times prior to the 100m in a forehand manner.

The horse was unable to muster sufficient speed to cross runners to its inside and therefore had to be steadied leaving the 1200m and to secure a position closer to the fence took up a position at the tail of the field. Shifted wider at the 700m and made the home turn extremely wide.

S. Comments: R Wilson questioned re tactics adopted as the horse led in today's event, which is in contrast to the horse's most recent racing pattern. He indicated that this was the horse's first start over more than a 1000m this preparation and as there was a lack of pace in the event and as the horse has had a tendency to be slow to begin at its most recent starts, he instructed S Elbeck to be aggressive in the early stages however, did not instruct her to lead. Mr Wilson was reprimanded and advised that in similar circumstances he would be expected to approach stewards with instructions of this nature.

Began awkwardly and then commenced to overtake near the 1700m resulting in him being placed wider on the track. From that point he was unable to restrain the gelding which resulted in it leading by a considerable distance, despite his continued efforts to restrain it. Felt this had a detrimental effect on gelding's ability to finish off the race.

S. Comments:T. Harrison said her instructions were to be in a forward position but with cover if possible. She said in the early stages when SOME CALL HER WILD crossed her she was happy with her position and the horse travelled nicely until A. Allen elected to allow FREEROCKER to cross and this put her further back than she had wanted. She said from about the 800m on, when racing behind other horses, HIGH ACE appeared to resent this position, dropped the bit and despite her urgings continued to lose ground and was reluctant to finish the race off. Vetted and found to have a low heart rate.

Duff indicated that the horse was taken wider near the 1000m and raced very wide from that point onwards and this caused the horse to have an extremely hard race and as it was its first start back from a spell did not finish the race off well.
