Browne stated he was obliged to take up a trailing position at the tail of the field and after travelling well throughout, shifted wider upon entering the home straight and felt it let down strongly, but weakened from the 200m and proved disappointing. Stable representative indicated the horse may not have handled the week back up from its last start, and the step up to 1800m for the first time. She said the stable would monitor the horse's condition and advise stewards of any apparent abnormality.

S. Comments:Slow to begin, and then was tightened for room shortly afterwards. Held up for clear running from after entering the home straight until leaving the 300m. Jockey G Colless reported that after receiving interference out of the barriers he was obliged to ride the horse vigorously in the first 200m to take up a position, and when held up in the early stages of the home straight raced greenly and despite this finished the race off well over the final 200m.

S. Comments:Inquiry re tactics adopted. Jockey T. Bell stated the colt had been slow to begin at its previous start, which resulted in him racing at the tail of the field. He added that his intention was to obtain a position with cover today, however after beginning well from a wide barrier he allowed his mount to stride forward and obtain a position closer to the fence, which resulted in him leading today.

S. Comments:When asked to comment on the performance, jockey J. Byrne indicated that the horse began well and with hindsight he felt he would have been better served riding in a more forward position but as the horse's pattern of racing is racing back in the field he settled at the rear, however the slow pace set in the middle stages did not suit the mare's pattern of racing and this had a detrimental effect on the overall performance.
