S. Comments:When asked to comment on the performance, rider J Orman reported that after settling in a favourable position, failed to respond to his riding and in his opinion proved disappointing. A post-race veterinary examination revealed some mild soreness in both forelegs. Trainer B Healey advised that he would have his veterinary surgeon examine the horse and report back to Stewards if anything came to light which may have had a bearing on today's performance. He further added that he may give consideration to sending the gelding for a spell.

Comments:When asked to comment regarding the tactics adopted Jockey R Fradd stated that after beginning well he was unable to find forward cover when both ONE FOR BETTY and PUCKISH improved to his inside which then obliged him to settle near the rear. Jockey Fradd also added that he was mindful not to place added pressure on his mount in the early stages as it can over race. He further stated that after improving from the 600m the gelding failed to run on as expected and proved disappointing. Jockey Fradd reported post-race that his mount felt awkward in its action and a subsequent post-race veterinary

A post-race veterinary examination revealed some mild soreness in both forelegs. Trainer B Healey advised that he would have his veterinary surgeon examine the horse and report back to Stewards if anything came to light which may have had a bearing on today's performance.
