When quest re ride in home straight, Rdr advised early in h/straight had been following KETTLEBELL and had envisaged another runner would commence to weaken after being obliged to race three wide-said when this did not occur, then became awkwardly placed at heels-added had improved to the inside of heels & felt would have had to overly restrain mount to avoid that runner's heels in order to shift wider, therefore elected to shift in near 200m.

When quest re riding in h/straight, particularly whether there was an opportunity to improve to inside near 300m, Rdr said had looked to improve into this run, however; filly was laying out, as it had done from 800m & when another runner shifted out, this run closed & then allowed horse to continue to shift out looking for clear run. It was accepted filly was hanging, however, Rdr advised could have ridden with more vigor at that point in order to secure position. Disappointed for run near 200m & steadied.
