| S. Comments:Began awkwardly. Raced keenly in the early and middle stages. Near the 300m contacted rail and became unbalanced. Near the 100m crowded for room when tightened for room. Rdr reported filly was inclined to lay in for the majority and was also making an abnormal breathing noise on pulling up. A post-race vet exam revealed no abs Warning placed on racing manners. |                  |                 |                                     |

| S. Comments:Bound on jumping and as a result subsequently settled further back than may have been expected. Raced wide throughout. Near the 100m, had to steady momentarily and shift inwards to avoid heels. When asked for a comment on the performance, jockey A Sewell reported that the step up in class and beginning poorly today proved detrimental in the gelding's chances. A post-race veterinary examination revealed a poor post-race recovery. |                           |                 |                                                                |
