Rider advised that after beginning well she obtained a forward position where the gelding travelled comfortably in the early stages of the event. She added however that her mount was under pressure from the 800m, which she attributed to the horse not being entirely comfortable in the prevailing track conditions tonight. Trainer advised that following the disappointing performance, the gelding would now be sent for an immediate spell.

He added that he recommended to connections to step the horse up over 1200m as the horse was doing its best work over the concluding stages and he was very satisfied with the performance.
