He also added that the mare may not have handled the impost of 59 kgs today and also the removal of blinkers may have been a contributing factor to its poor performance. App Philpot stated HEAVENLY GLASS began awkwardly and as a consequence lost contact with the main body of the field. She added leaving the 500 metre the mare improved into the race strongly and rather than being caught on heels of runners forward of her she elected to shift to the outside and wider on the track. she was advised to show greater urgency in obtaining a position in the early stages of a race.
