| S. Comments:When racing keenly approaching the 500m, improved onto heels and shifted out. Approaching the home turn, improved onto heels and shifted wider. Had difficulty obtaining clear running approaching the 200m, shortly thereafter was disappointed for a contested position near the 100m before being steadied from heels and was unable to be fully tested to the line. |                             |          |     |                                      |

| S. Comments:Bumped on jumping, taken in and bumped again near the 1800m. Raced keenly near the 1600m. Shifted wider from the 800m to commence a forward move. Raced wide for the majority. Laid in and bumped on entering the home straight. Momentarily steadied from heels near the 50m. Underwent a post-race veterinary examination which failed to reveal any significant abnormalities. Trainer advised that the gelding would now likely be sent for an immediate spell.                                |                            |          |     |                                        |
