### RISE – Digital Products Customer Release Notes January 2022

3. Clicking on the Split button will launch the Split Prize money request landing page, which has the details of the request process and the Jurisdictions that the Split prize money functionality is available in. This means that upon a successful split prize money feature being turned on for an organisation, the prize money will be deposited into the individual nominated bank account only when the Horse is racing in a Jurisdiction that is listed under the Available column

- 4. When the user clicks on Continue, the partnership breakdown page is presented where the Managing owner can verify and update the Ownership percentage breakdown for each Horse that is owned by the partnership. There are validations on this page to ensure that
  - a. The percentage breakdown ownership > 0
  - b. The percentage breakdown for each Horse adds up to 100%
