### KEY MILESTONES

- The contractor has commenced final pours on Level One of the Grandstand Building, including various Insitu walls.
- The Level 1 Internal Lift and stair shaft formwork is progressing well.
- The maintenance shed nearing completion, with wall partitions and internals services poised to commence and the irrigation shed is also nearing completion.
- The washdown recovery building and covered walkway footings have been excavated and steel placement completed. The foundation will be complete once concrete pours have occurred.
- The one-turn and two-turn tracks are progressing whereby the contractor is completing the construction of the sub-base layer works by installing roadbase (gravel) and compacting to a pre-determined depth.
- The contractor has also commenced road upgrades to Ipswich Boonah Rad, as per conditions of authority approvals, whilst kerbing to the visitors' carpark is nearing completion.

### PROJECT TIMELINE

Practical completion of construction is projected to conclude by late 2024, allowing for the scaled commencement of trialing on all tracks.

Albion Park and Ipswich racing activity is set to transition to The Q's three racetracks early in 2025.

We appreciate your ongoing interest in The Q project, and we will continue to provide updates as it progresses.
